Note: Players trying out for 13U AA, 13U AAA, 15U AA, 15U AAA MUST have a tryout release if you do not live within the BC Baseball defined catchment area for Cloverdale Minor Baseball, please follow the instructions below.

[Association Boundaries \(bcminorbaseball.org\)](http://bcminorbaseball.org)

Refer to this rule for Tryout Releases for 13U AA, 13U AAA, 15U AA & 15U AAA

Rule 6.02 Permission to play in an association outside the boundaries of residence.

Player tryout release must be submitted online (link you note below). Players do not have to notify home association of this as on the BCMBA online form it asks if “your home association offers the program yes/no”...then further down the online form it has this “If Home Association approval answer is yes, a separate email must accompany this application from the Home Association stating so. Sent to eligibility@bcminorbaseball.org Include players name and approval” so this pertains to players trying out elsewhere for program(s) they may also offer (13U AA, 13U AAA, 15U AA & 15U AAA).

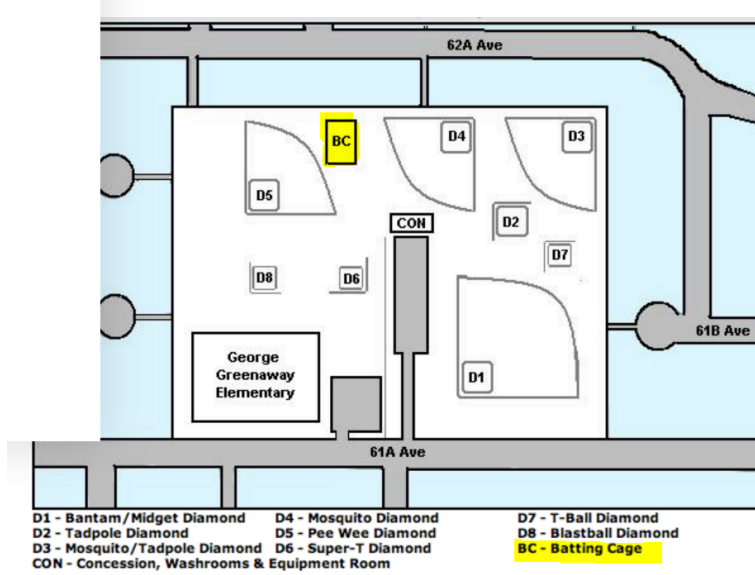

18U AAA (also includes CP) does not apply to Rule 6; refer to Rule 7.07 for 18U AAA which same as CP just have to provide player home association 5 days notice in writing to 18U AAA Director and home association.

Side Note: BCMBA has 7-10 days to approve so request should be submitted as soon as possible by player. There usually are well over 100+ of these each year for them to go through.

Uniforms

Players Uniform Numbers will be determined by the Rangers program based on the following criteria. Once all teams are selected players will be requested to provide their preferred number followed by 2nd and 3rd choices.

Returning players will retain their current number unless they choose to change numbers when the process below reaches them for selection.

The process starts with the 18U players, specifically College Prep players selecting their numbers and then moves to 18U AAA. The process will then move down to 15U and 13U respectively.

Any number that was selected by Midget is not available for the Bantam players in the case that a Midget coach would like to call up a Bantam player, same goes for Peewee Players. This is why we asked players for multiple different numbers, in case there were any issues.

Based off seniority in the program and Division (18U, 15U then 13U)

The reason for this is based off coaches being able to call up players when needed and rewarding players for years committed to the program. This also allows players to keep their jerseys for more than one season (if they choose)

Rangers HP Uniform equipment is mandatory for all players in the program, first year players will be required to purchase the following items.

- White Full Button Jersey x 1
- Grey Jersey x 1
- Black drifit practice jersey x 1
- ¾ Sleeve practice t-shirt x 1
- PTS 30 hat x 1
- Rangers Hoodie x 1
- Rangers Cage Warm up jacket either short or long sleeve x 1
- Rangers shorts x 1

Returning players can reuse previous year's uniform items provided they are not extremely worn/damaged to help with keeping costs down where possible.

There is a spreadsheet available for distribution for those families that would like to utilize it to determine your costs based on what Uniform/Equipment you plan to order. Please request from Dave Palmer at rangersbbdp@gmail.com
